SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Pensions and Security numbered 1,529 for August. The maximum board payment from the Department is based on the age of the child: children 0-2 years, the maximum is $153.00; children 3-5 years, the maximum is $162.00; children 6-12 years, the maximum is $171.00; and children 13-18 years, the maximum is $180.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Pensions and Security numbered 1,561 for September. The maximum board payment from the Department is based on the age of the child: children 0-2 years, the maximum is $153.00; children 3-5 years, the maximum is $162.00; children 6-12 years, the maximum is $171.00; and children 13-18 years, the maximum is $180.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

1/ Averages are not representative in some counties, as children were sometimes at board for only part of the month. Also, in other instances, payments are higher than usual due to unusual care required because of special needs.

2/ Includes 0 State FCMP cases.

3/ In addition, there were 8 children in foster care for whom neither board payment nor specialized service fee was made.

Children receiving payment from the Aid to Children in Foster Care program provided through County Departments of Pensions and Security numbered 2,433 for the month of September. The maximum board payment from the Department is based on the age of the child: children 0-2 years, the maximum is $153.00; children 3-5 years, the maximum is $162.00; children 6-12 years, the maximum is $171.00; and children 13-18 years, the maximum is $180.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Pensions and Security numbered 1,599 for October. The maximum board payment from the Department is based on the age of the child: children 0-2 years, the maximum is $153.00; children 3-5 years, the maximum is $162.00; children 6-12 years, the maximum is $171.00; and children 13-18 years, the maximum is $180.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Pensions and Security numbered 1,639 for November. The maximum board payment from the Department is based on the age of the child: children 0-2 years, the maximum is $153.00; children 3-5 years, the maximum is $162.00; children 6-12 years, the maximum is $171.00; and children 13-18 years, the maximum is $180.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Pensions and Security numbered 1,635 for December. The maximum board payment from the Department is based on the age of the child: children 0-2 years, the maximum is $153.00; children 3-5 years, the maximum is $162.00; children 6-12 years, the maximum is $171.00; and children 13-18 years, the maximum is $180.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

2/ Includes 7 State FCMP cases.

3/ In addition, there were 13 children in foster care for whom neither board payment nor specialized service fee was made.

1/ Excludes payments from private funds.

2/ Averages are not representative in some counties as children were sometimes in boarding homes for only part of the month. Also, in other instances, payments are higher than usual due to unusual care required because of special needs.

3/ Includes children under State supervision.

4/ In addition, there were 343 children in foster care for whom neither board payment nor specialized service fee was made.

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Pensions and Security numbered 1,605 for January. The maximum board payment from the Department is based on the age of the child: children 0-2 years, the maximum is $153.00; children 3-5 years, the maximum is $162.00; children 6-12 years, the maximum is $171.00; and children 13-18 years, the maximum is $180.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Pensions and Security numbered 1,625 for February. The maximum board payment from the Department is based on the age of the child: children 0-2 years, the maximum is $153.00; children 3-5 years, the maximum is $162.00; children 6-12 years, the maximum is $171.00; and children 13-18 years, the maximum is $180.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

2/ Includes 7 State FCMP cases.

3/ In addition, there were 14 children in foster care for whom neither board payment nor specialized service fee was made.

1/ Excludes payments from private funds.

2/ Averages are not representative in some counties as children were sometimes in boarding homes for only part of the month. Also, in other instances, payments are higher than usual due to unusual care required because of special needs.

3/ Includes children under State supervision.

4/ In addition, there were 362 children in foster care for whom neither board payment nor specialized service fee was made.

SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Pensions and Security numbered 1,664 for March. The maximum board payment from the Department is based on the age of the child: children 0-2 years, the maximum is $153.00; children 3-5 years, the maximum is $162.00; children 6-12 years, the maximum is $171.00; and children 13-18 years, the maximum is $180.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Pensions and Security numbered 1,644 for April. The maximum board payment from the Department is based on the age of the child: children 0-2 years, the maximum is $153.00; children 3-5 years, the maximum is $162.00; children 6-12 years, the maximum is $171.00; and children 13-18 years, the maximum is $180.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

1/ Averages are not representative in some counties, as children were sometimes at board for only part of the month. Also, in other instances, payments are higher than usual due to unusual care required because of special needs.

2/ Includes 8 State FCMP cases.

3/ In addition, there were 15 children in foster care for whom neither board payment nor specialized service fee was made.

Children receiving payment from the Aid to Children in Foster Care program provided through County Departments of Pensions and Security numbered 2,397 for the month of April. The maximum board payment from the Department is based on the age of the child: children 0-2 years, the maximum is $153.00; children 3-5 years, the maximum is $162.00; children 6-12 years, the maximum is $171.00; and children 13-18 years, the maximum is $180.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Pensions and Security numbered 1,641 for May. The maximum board payment from the Department is based on the age of the child: children 0-2 years, the maximum is $153.00; children 3-5 years, the maximum is $162.00; children 6-12 years, the maximum is $171.00; and children 13-18 years, the maximum is $180.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Pensions and Security numbered 1,605 for June. The maximum board payment from the Department is based on the age of the child: children 0-2 years, the maximum is $153.00; children 3-5 years, the maximum is $162.00; children 6-12 years, the maximum is $171.00; and children 13-18 years, the maximum is $180.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

1/ Averages are not representative in some counties, as children were sometimes at board for only part of the month. Also, in other instances, payments are higher than usual due to unusual care required because of special needs.

2/ Includes 8 State FCMP cases.

3/ In addition, there were 21 children in foster care for whom neither board payment nor specialized service fee was made.

SOCIAL SERVICES

Children receiving payment from the Aid to Children in Foster Care program provided through County Departments of Pensions and Security numbered 2,400 for the month of June. The maximum board payment from the Department is based on the age of the child: children 0-2 years, the maximum is $153.00; children 3-5 years, the maximum is $162.00; children 6-12 years, the maximum is $171.00; and children 13-18 years, the maximum is $180.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Pensions and Security numbered 1,586 for July. The maximum board payment from the Department is based on the age of the child: children 0-2 years, the maximum is $153.00; children 3-5 years, the maximum is $162.00; children 6-12 years, the maximum is $171.00; and children 13-18 years, the maximum is $180.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.

SOCIAL SERVICES

Children receiving payment from the Foster Care Maintenance Payments program provided through County Departments of Pensions and Security numbered 1,539 for August. The maximum board payment from the Department is based on the age of the child: children 0-2 years, the maximum is $153.00; children 3-5 years, the maximum is $162.00; children 6-12 years, the maximum is $171.00; and children 13-18 years, the maximum is $180.00. The average board payment per month may be less than the maximum because some of the children included have board payments made partially from private funds and because some children do not remain at board for a full month. In some instances the average board payment may exceed the maximum because certain children are eligible for nursing care or special care.
